

TACO MAC® BREWNIVERSITY™

Effective September 1, 2009 the Taco Mac Brewniversity has replaced the Passport Club.

The new program is more rewarding and interactive for our customers. Please see below for a list of updated and added rewards.

Rewards are mailed to the customer's home, so please be sure to keep your profile updated at www.tmbrew.com. If you were a Passport Member, your information was automatically transferred over to the Brewniversity. Passport cards may be used as Brewniversity cards, but if you would like a Brewniversity card please submit your request to brewniversity@tappanstreet.com.

**TACO MAC®
BREWNIVERSITY™**

As you begin your studies at Taco Mac Brewniversity, keep in mind that you acquire a credit on your Report Card for each unique beer that you purchase. Since many selections differ from draught to bottle, you get credit for each. Each time you journey over to the Taco Mac library to achieve new credits on your Report Card, please present your card to your server. Your server will swipe your card on your tab and print out a list of beers that you have already acquired. (Draught beers will print out UPPERCASE; Bottles will print out Title Case.) You can also PLAN YOUR VISIT to Taco Mac, by logging into your profile at www.tmbrew.com.

Here you can view your current list of beers, and view a list of beers you haven't had at any participating Taco Mac!

Please be sure to drink responsibly and assign a designated driver. Taco Mac reserves the right to reduce the limit that you can drink in a day for everyone's safety and enjoyment. We will also expel anyone from the Taco Mac Brewniversity, who cannot behave themselves in our establishments, at our own discretion. You know who you are.

RULES

1. You must be 21 years old to join the club.
2. One Student ID per customer; Only beers YOU enjoy will count towards your membership.
3. Brewniversity students dining together must maintain split checks.
4. Only SIX selections count towards your report card in any one day. No Exceptions.
5. Repeated beers do not count as additional credits on your account.
